Mr. Angelina was an executive officer with a Bermuda-based insurer, where he led the global pricing, reserving, and risk functions with a particular emphasis on Enterprise Risk Management.

TONY CHIMERA

Sompo International | SVP, Human Resources

Tony Chimera joined Sompo International / Endurance as SVP, Human Resources supporting the Insurance Segment, Finance, Legal and Information Technology Segments in November 2013 and is based in the Alpharetta office. Prior to joining the Company, Tony held a number of senior human resources positions, most recently at AXIS Capital Holdings Limited. Before joining AXIS, he served as Sr. Manager of HR at XcelleNet, a division of Sybase. Tony's career also includes Human Resources positions with Metlife, Intertec Publishing, and Scientific Research. He is passionate about attracting and developing talent in the Insurance industry with a focus on inclusion and diversity. Tony has served on the Internship committee of WSIA since 2009 and is a member of the Risk Management / Insurance Advisory Council at Troy University. Tony holds a B.S. in Management from Auburn University and an MBA from the University of Georgia.

KORTNEY EIDSON

AmWINS Group | Vice President, Binding Authority

Kortney is Vice President within the binding authority division of Access at AmWINS Group, Inc. She began as a summer intern at AmWINS nearly eight years ago and loved the industry and the collaborative culture of AmWINS so much she switched her major to Risk Management and Insurance. As an underwriting assistant, AmWINS supported her while she finished her degree. After graduation, she moved to Atlanta, GA to help to start a new practice model that would evolve into an entirely new branch. This experience led to her passion for data and portfolio management. She moved to the home office in Charlotte, NC to focus on data as a product analyst. Less than a year later she was promoted to VP with an increase in responsibilities not only in data but also market relationship management.

CHRISTINE GOODMAN

Nationwide Insurance Company | Senior Director

Christine Goodman has been a leader at Nationwide Insurance Company since 2000. She serves as a Senior Director, managing day-to-day underwriting solutions, servicing agents and brokers, and delivering new underwriting technology capabilities. As part of her role at Nationwide, she served on the Social Justice Task Force, researching and recommending additional tangible actions Nationwide can take to promote social justice within their workforce and communities. As part of her work, she delivered approaches Nationwide can adopt to hire, retain, and promote more diverse talent. She also helped initiate and served as a leader on Nationwide-Scottsdale Campus Diversity and Inclusion Council for two years. As the executive sponsor of African American Women Active and Ready to Exceed (AWARE), she supports programs and activities that help develop women in the workforce. Christine earned a bachelor's degree in computer science at Rutgers University and an MBA from University of Phoenix. Originally from New Jersey, she now resides in Chandler, Arizona.

CATHERINE MULLIGAN

Aon Reinsurance Solutions | Global Head of Cyber

Catherine is the Global Head of Cyber for Aon's Reinsurance Solutions business. In this role she is responsible for setting the strategy for the global cyber practice group, driving growth, building the team, and working closely with Aon's Cyber Solutions Group. The practice group provides cyber reinsurance advisory service, dedicated and bespoke data and analytics, and expert advice on strategy and distribution.

Prior to joining Aon in 2017, Catherine served as the Head of Professional Liability at Zurich North America where she managed the portfolios and teams underwriting Miscellaneous and Healthcare Professional Liability and Security & Privacy. Previously, she was also Head of Specialty Products Errors & Omissions, leading that team in double digit growth and establishing Zurich North America as a key market in the security & privacy ("cyber") space. Prior to Zurich, Mulligan was an AVP at Chubb, where she was a regional underwriting manager in the technology division, earning her Underwriting Specialist designation with a focus on E&O. She later spent three years as a broker at William Gallagher Associates in New York, where she worked with technology and life sciences companies.
