# WSIA PAC Mission

The mission of the WSIA PAC is to support candidates for the U.S. House and Senate whose philosophies and attitudes are consistent with the goals of WSIA, the surplus lines industry and the wholesale brokerage system.

**EVERY  
CONTRIBUTION  
MATTERS!**

Every contribution is appreciated and makes a difference in the work of the PAC. It only takes \$5,000 of WSIA PAC contributions to maximize our full legal contribution per candidate, per election cycle.

**YOUR  
CONTRIBUTION  
MATTERS!**

You may contribute up to \$5,000 per year, but most contributions to the WSIA PAC are less than \$100. When considering your contribution, please feel free to contribute any amount.

# Legislative Priority

- WSIA supports a long-term extension of the National Flood Insurance Program that includes the Flood Insurance Market Parity and Modernization Act (H.R. 1422/S. 563), which revises the federal definition of private flood insurance.
- Revisions are necessary to amend the current definition to ensure eligible surplus lines and other private market solutions and alternatives are available to consumers in need of unique and complex flood risks and that the policies are accepted by lenders.

# Legislative Priority

- Congress is expected to consider a longer-term reauthorization and reform of the NFIP leading up to the July 31 extension.
- **Your contribution can help us pass meaningful flood insurance reform!**
