

## WHAT IS A PAC?

A "PAC" is a political action committee. Political action committees are special organizations that are set up for the purpose of collecting contributions from a large number of individuals, which are then aggregated into one fund and are used to make contributions to support a particular cause or campaign.

## ABOUT THE WSIA PAC

The WSIA PAC was formed in 2005 and plays an important role in WSIA's legislative and regulatory efforts. The mission of the WSIA PAC is to support candidates for the U.S. House and Senate whose philosophies and attitudes are consistent with the goals of WSIA, the surplus lines industry and the wholesale brokerage system.

## WSIA PAC ACCOMPLISHMENTS

The work of the WSIA PAC has led to several major legislative achievements:

- Passage of the 2010 Nonadmitted and Reinsurance Reform Act (NRRRA)
- Reauthorization of the The Terrorism Risk Insurance Act of 2015 (TRIA)
- Establishment of the National Association of Registered Agents and Brokers (NARAB)

The PAC is critical to maintaining and implementing these important victories as well as achieving future goals which include:

- Revising the definition of private flood insurance to ensure inclusion of surplus lines in the private insurance marketplace, the Flood Insurance Market Parity and Modernization Act.
- Impress upon Congress the continuing importance and success of the Nonadmitted Reinsurance Reform Act (NRRRA), emphasizing that if the Dodd Frank Act is amended or repealed, the NRRRA should be protected.

EVERY

CONTRIBUTION

MATTERS

Every contribution is appreciated and makes a difference in the work of the PAC. It only takes \$5,000 of WSIA PAC contributions to max out our full legal contribution per candidate, per election cycle.

You may contribute up to \$5,000 per year, but every contribution, no matter the amount, helps us achieve a maximum contribution to key candidates. When considering your contribution, please feel free to contribute any amount.
