# Downloading the 2019 Underwriting Summit App
from an Android device

Download the App:

The WSIA Underwriting Summit event will be housed in the WSIA app. Please follow the steps below to **Download the App:**

Go to the "Play Store" icon.

When the Play Store page loads, type WSIA then search.

You will see the WSIA app. This should be the first option in the list on your device.

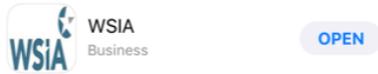

Click INSTALL and you will see the progress of the app download like shown below.
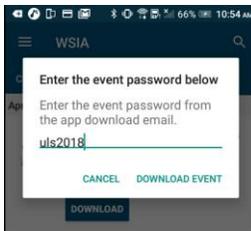

Once the download is complete, click OPEN to launch the WSIA app.

The app will launch. You will see the screen below, click on the Download button.

Then you will enter the event code **wsiasummit19** and click Download Event.

The event will begin downloading like the picture below:

Once complete, the splash screen will pop up for the Underwriting Summit and the app will then open.
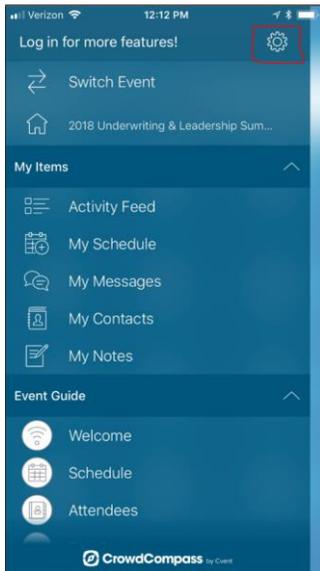

Using the App:

At this point, you will have access to everything you see in the app, except for the attendees list and invite only sessions.
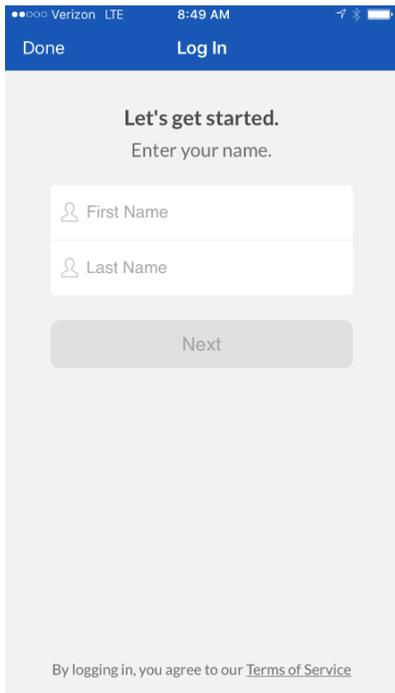

To access the attendee list and any WSIA Underwriting Summit session to which you have been added to, click the ☰ icon at the top left to login to the app.

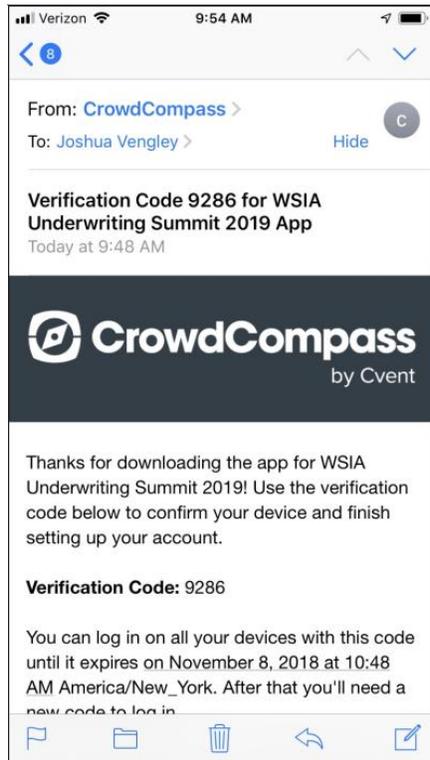

Now click on the Gear ⚙ or the words **Log in** to bring up the log in page.
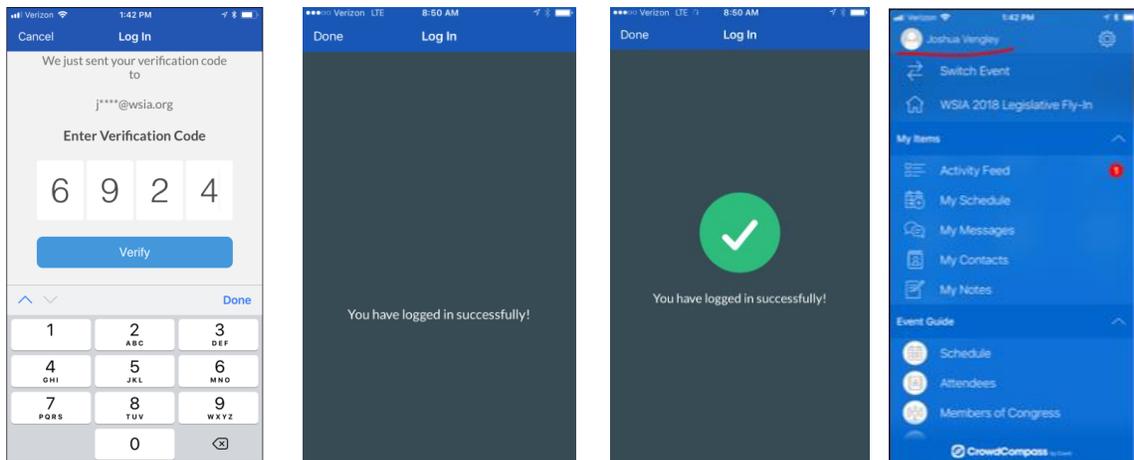

Next, enter your First and last Name that you registered with. Once you have entered the credentials, click on the Next button.

The app will generate an email and send it to the email address you registered with. The email will contain a 4-digit code you will use to complete the verification process into the app. The email will look like the example below:

You will then be asked to enter the Verification Code into the app and click on the Verify Button. You will see progress screens like the additional examples below. You will know you are logged in with success when your name shows at the top left like the last picture below.

If you do not receive the email with the verification code, please contact Josh Vengley josh@wsia.org and he can help get you the verification code.

If you have any additional needs, please contact josh@wsia.org or julie@wsia.org
